**NOTICE TO:** Aspen Community, Tulalip Reservation

**ACTION(S):** Water Shortage; Conservation Restrictions; Other

---

Please take notice:

1. **Declaration of Water Shortage.** The Tulalip Utilities Authority has determined that due to high demand, a water shortage exists for the Aspen Community.
2. **Temporary Water Conservation Restrictions:** Due to the current water shortage at Aspen, all Tulalip Utility customers at Aspen must observe the following temporary water conservation restrictions:
  - a. All prior temporary water restrictions are rescinded.
  - b. Customers may resume non-excessive outdoor washing (cars, etc.) and watering of lawns and landscaping, limited to one (1) hour per day, either in the morning before 8:00 a.m. or in the evening after 9:00 p.m.
  - c. This Notice does not affect the water conservation restrictions in Aspen's Declaration of Covenants. Customers must also comply with those restrictions.
  - d. This notice may change at any time.
3. **Enforcement.** Failure to observe temporary water restrictions imposed in this Notice will result in progressive enforcement: First violation: written warning. Second violation. \$200.00 surcharge. Third violation: potential disruption in service.
4. **Effective Dates:** This Notice is effective immediately and shall remain in effect until September 30, 2007, unless earlier rescinded.
5. **Future Notices:** Future notices will ONLY be published online. For updated information follow the links at [www.tulaliptribes.com](http://www.tulaliptribes.com) to the Tulalip Utility Authority's home page.

We appreciate everyone's continued cooperation. This action is necessary to protect the available potable water supply for all of Aspen during this period of high demand.

To report any unauthorized use or waste of water, please call the Utility at 360-651-4560.
